Dear

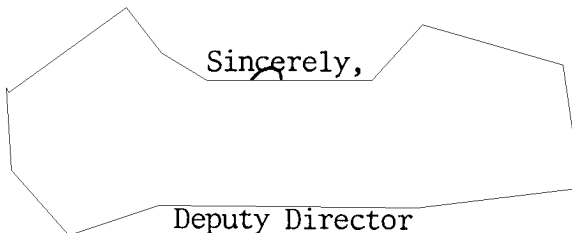

STAT

As you complete your assignment in Production Group's Science and Technology Center, I would like to thank you for your able assistance and dedication. We were impressed with your ability to make an effective contribution to the day-to-day operations of the Center, even handling assignments often carried out by intelligence assistants. Your colleagues particularly appreciated your willingness to help wherever needed, as well as the good humor you displayed in whatever you did.

We enjoyed having you work with us, and I join your coworkers in the Center in hoping you found this experience beneficial and rewarding. We all wish you success as you begin your college life and hope to see you back at Christmas time.

Sincerely,

Deputy Director
